# WHAT BIG QUESTIONS WILL YOU TACKLE?

Your interest areas are a place to start as you consider what you want to study.  
What big questions do you want to learn about?

## 1 How can I express myself and my ideas?

*Arts, Humanities and Design*

Are you creative? You might be interested in Arts, Humanities and Design. Creativity is one of humankind's ongoing explorations. In these programs, you will learn to use your skills to enrich the lives of others and understand the world in a different light.

## 2 How can we protect the environment?

*Biological Sciences and Sustainability*

If you're passionate about the future of our 'āina and its living things, you may be interested in biological sciences and sustainability. You can find solutions to our pressing environmental issues by learning how our natural world works and how you fit into it.

### **3 How do we protect ourselves from infectious disease?**

#### *Nursing, EMS, and Health Sciences Programs*

If improving health and safety for yourself and others is important to you, you might be interested in Nursing and Health programs. Your knowledge will help you solve a variety of questions that address quality of life.

### **5 Can we build a smarter, cleaner or safer power source?**

#### *Physical Sciences and Engineering*

If you love to think about or imagine a better way to make or do something, you may be interested in Physical Sciences or Engineering. You could build technologies that will change the future.

### **6 How can I make people's lives more enjoyable?**

#### *Culinary Arts and Hospitality and Tourism*

If you enjoy providing an environment where people can savor memorable tastes and experiences, Culinary Arts or Hospitality and Tourism may be just the program for you. Hawai'i is the gathering place for people from around the world to experience our unique culture and international cuisine.

### **4 How do we build a stronger society?**

#### *Social Sciences, Hawaiian and Pacific Island Studies*

Are you curious about human behavior? You might be interested in Social Sciences and Hawaiian/Pacific Island Studies. The study of history and culture could lead you to address significant contemporary issues.

### **7 How can I improve the way people communicate and work together?**

#### *Information Technology*

If you like using technology to communicate with others and to solve complex problems, Information Technology is at the core for the majority of systems and operations.

**Kapi‘olani CC is an open door college, where all are welcome to attend. Placement tests and previous grades are used to determine the appropriate levels of English and math classes to take.**

There are several programs that have special admission requirements.

See <https://go.kapiolani.hawaii.edu/>  
for more information

Did you know that Kapi‘olani Community College is the only college named after a Queen?

## **Queen Julia Nāpelakapuokāka‘e Kapi‘olani**

Kapi‘olani CC is shaped by our Hawaiian values.

### **Nā lawena waiwai – Values**

Kapi‘olani Community College honors the legacy of Queen Kapi‘olani through these values:

#### **Kūpono**

Practicing honesty and integrity with clarity in all relationships.

#### **Kuleana**

Sharing a common responsibility to support the future of our students, college, community, land, and sea.

#### **Mālama**

Protecting and perpetuating ancestral knowledge.

#### **Kūloa‘a**

Ensuring that the needs of our students are met with support and service.

#### **Kūlia**

Creating meaningful curricula and learning experiences that serve as a foundation for all to stand and move forward.

# Is College Worth It?

## Is College Worth It?

*The answer starts with you.*

There's a lot to consider:

- What do you want to do after college?
- Do you have to work?
- Are you eligible for financial aid or scholarships?

Explore each piece of your financial fit - cost, financial aid, strategies and outcomes - before making any college decision and remember: your answer won't be the same as anyone else's.

In the big picture, what do you value in an education? An education is more than class lectures. Kapi'olani CC offers a learning environment that goes beyond the classroom, where you can explore the rich Hawaiian language and culture, the breathtaking environment and beautiful campus, and endless outdoor activities.

# Applying to Kapi‘olani CC

*Whether you are a*

**First time student**

**Dual credit student**

**Transfer student** (already earned college credits)

**Returning student** (former Kapi‘olani CC student coming back)

**US Military**

**International student**

**Native Hawaiian or Pacific Islander student**

We have counselors to guide you through the application process.

# Will I Fit In?

## *Home is a feeling.*

One visit to Kapi‘olani CC and you’ll feel it: a supportive and inviting campus community, lush campus environment, hundreds of faculty and staff that are here to support you. It’s a place where you can develop something completely your own—your home.

# Challenge Yourself

If you’re looking for an academic challenge or subject matter depth, Kapi‘olani CC offers courses that will inspire you.

*There are courses that offer*

## Sustainability

If you have a commitment to the environment and a strong interest in the importance of sustainability to Hawai‘i's future.

## Writing Intensive

If you’re interested in taking your writing to the next level.

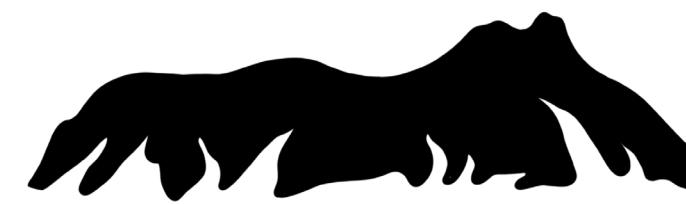

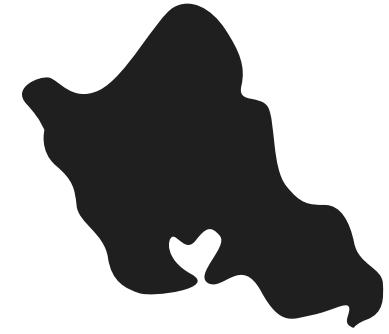

## Research Intensive

If you’re planning to go into the natural or social sciences.

# Where are we located?

The College is located on a scenic 44-acre site at Kalāhū, Pālolo, Kona, on the island of O‘ahu.

It is next to world renowned Lē‘ahi (Diamond Head Crater), about a mile from Waikīkī Beach.

## Honolulu

Honolulu, on the island of O‘ahu’s south shore, is the capital of Hawai‘i and gateway to the U.S. island chain. The Waikīkī neighborhood is its center for dining, nightlife and shopping, famed for its iconic crescent beach backed by high-rise hotels.

**Population: 348,985** (2019)
